**OFFICE MEMORANDUM**

**Subject: Canvassing by Government servants in service matters-regarding**

It has come to notice that certain officers/staff are using political or outside influences to bear upon the superior authority to further their interest in service matters eg. promotion, transfer, request for seeking specific work allocation, disposal of complaints against them etc. It has also been observed that the relatives of some Government servants make representations concerning service matters affecting the Government servants. It is reiterated that such activities are not in order as per CCS (Conduct) Rules, 1964.

2. With respect to the above, kind attention is invited to Rule 20 of CCS (Conduct) Rules, 1964 which reads as under:

**20. Canvassing of non-official or other outside influence**

**No Government servant shall bring or attempt to bring any political or other outside influence to bear upon any superior authority to further his interests in respect of matters pertaining to his service under Government.**

All Departments are, therefore, instructed to advise such Government servants, who bring political or other outside influence on the superior authorities, to desist from such practices, which are against the provisions of CCS (Conduct) Rules, 1964.

*If any Government servant is found violating the above provision, disciplinary action may be initiated against such Government servants under the provisions of CCS(CCA)Rules, 1965.*
